THE BASILE SIGNATURE JOURNEY

Seven Days on the French Riviera & in Provence

An inspiring sample itinerary, personally curated

DAY 01 | NICE

The Hidden Charms of Old Nice

Mediterranean character, art and gastronomy

Begin your journey at Hôtel La Pérouse, a beautiful setting for your first moments on the Côte d’Azur.

Wander through the colourful lanes of Vieux-Nice, discover its small boutiques and step inside the magnificent Palais Lascaris, a Baroque treasure tucked away in the old town.

In the evening, enjoy a gastronomic dinner at JAN, a restaurant with a special place in Diana’s own hospitality story.

DIANA’S PERSONAL RECOMMENDATION

Take your time in the narrow streets. The most memorable discoveries are often found around an unexpected corner.

DAY 02 | BEAULIEU-SUR-MER, MONACO & ÈZE

Between Sky and Sea

Heritage, Riviera elegance and fine dining

Discover Villa Kérylos, a remarkable residence inspired by ancient Greece, overlooking the Mediterranean.

Continue to Monte-Carlo for a leisurely lunch at Limùn Bar, Hôtel Hermitage, an address Diana knows from her professional experience.

Spend the afternoon exploring the medieval village of Èze. Stay overnight at La Chèvre d’Or and enjoy an exceptional gastronomic dinner overlooking the Riviera.

A CONSIDERED PACE

Monaco can be kept short to leave time to appreciate Èze and the hotel. A private chauffeur may be particularly comfortable today.

DIANA'S PERSONAL RECOMMENDATION

For those who enjoy the legendary beach atmosphere, an optional lunch at Club 55 on Pampelonne Beach offers another perspective on the Riviera.

Continue to Château de Valmer in La Croix-Valmer, a refined retreat in Mediterranean gardens, and enjoy dinner at La Palmeraie.
